

CERTIFICATIONS :

Pour certaines formations, ACTH fait passer en fin de module des certifications (voir dernière page).

Les sessions de certification durent 3,5h / 0,5 jour et sont organisées à des dates précises (voir le calendrier).

La session animée par un formateur/surveillant est composée de 2,5h de révision, préparation et 1h de certification en ligne.

Au départ d'un module qui comprend une certification, le processus est communiqué au candidat (création d'un compte, guide d'entraînement, etc..).
